PAYMENT POLICY

Psychological Assessments Pty Ltd requires a 50% deposit for private pay clients before securing an appointment. Once the deposit is received, the company will allocate a clinician and book the appointment. The deposit will be returned if the appointment is cancelled at least 2 business days (48 hours) prior to the scheduled appointment.

After attending the appointment, the remaining 50% balance must be paid in full before the clinician commences report writing. This payment is necessary to ensure the clinician is compensated for time spent conducting the assessment, reviewing materials, and writing the report. Once the company receives full payment, the clinician will endeavor to have the report completed within two weeks.

CANCELLATION POLICY

We understand that unforeseen circumstances may arise, and we strive to accommodate our clients' needs. All efforts will be made to confirm appointments with the client/treating team/referrer 48 hours prior to the scheduled visit. However, to ensure the efficient operation of our services and to respect the time of both parties, we have implemented the following cancellation policy for appointments:

- Cancellations made at least 2 business days prior to the scheduled appointment will not incur any charges.
- Cancellations made within 2 business days (48 hours) of the scheduled appointment will result in a 50% cancellation fee.
- No-shows or cancellations on the day of the appointment will be subject to a 50% cancellation fee. If the clinician has arrived at the appointment, the company will charge 50% of the appointment fee plus total travel costs. If the assessment is rescheduled and completed at a later date, the full fee will be charged in addition to any cancellation fees for the initial appointment. This may be negotiated at the company's discretion.
- We take the safety of our clinicians seriously and omitting any risk concerns we need to be aware of at the time of referral and prior to the appointment may be grounds for cancellation fees and discontinuing services. We are allowed to discontinue services at any time if engaging puts our clinicians and staff at risk, or continuing would be unethical or goes against funding guidelines. If information is received which raises these concerns within 2 business days (48 hours) of the scheduled appointment, the company is entitled to charge a 50% cancellation fee.

We appreciate your understanding and cooperation. If you need to reschedule or cancel your appointment, please contact us as soon as possible.
